### **Rocky Horror meets Star Wars and Star Trek! Light sabers versus Phasers!**

**FOR IMMEDIATE RELEASE:** Greensburg, Pa - Oct 11, 2015 - Its time to do the Time Warp again! Stage Right stages **The Rocky Horror Show Live** on Halloween weekend. Shows are **Oct 30 and 31 at 8pm and Midnight at the Greensburg Garden and Civic Center.** Featured in the cast this year are **Kevin Daniel O’Leary** returning from New York to once again play Dr. Frank N Furter, newcomers **Megan Poitras and Logan Farine** (Pittsburgh) are Janet and Brad. Another newcomer, **Courtney Harkins** will appear as Maganeta and **Alex Noble and Renata Marino** return as Riff Raff and Columbia.

***Choreographer Renata Marino: “All the new cast members and the theme has brought of ton of really exciting energy to this years version. Plus, working with Kevin is very exciting for everyone. His Frank is entirely his own, and people love it!”***

**This year’s theme is Star Wars versus Star Trek!** Iconic characters from both famous film franchises will be featured. The Rocky Horror Show tells the story of newlyweds Brad Majors and Janet Weiss, who find themselves seeking shelter at a mysterious old castle on a dark and stormy night, where they encounter the sinister Dr. Frank N Furter, who is about to bring his perfect creation, Rocky, to life! What ensues is campy, naughty fun, and the best way to spend a Halloween evening.

***Director Tony Marino: “When you do the show every year, you feel the need to bring something new to it. So we use themes, things that we can sneak into the story and inform the costumes. The actual show takes place on the night of a party at Frank’s place, so we make it a costume part and this year the them to that party is Star Wars Versus Star Trek, with a few other surprises thrown in! As far as the audience, please come dressed as your favorite Rocky character, or your favorite Science Fiction character or just come as you! No matter what, you’re going to have a blast.”***

Callbacks are encouraged, as always, and prop bags will be available for purchase for \$5.
